

Sept. 14, 1926.

Mr. T. N. Pfeiffer,
120 Broadway,
New York, N. Y.

Dear Sir:-

Please find my report in the case of Hall-Mills.

I called on Mr. Francis, the photographer, George Street, New Brunswick, N.J. I interviewed Mr. Francis. He said that he went to the scene of the murder the same day the bodies were found between 12 and 12.30. He took one picture, which picture is attached to the report. He said that he saw burlap bags, and found two or three men at the scene when he arrived there. He said that the burlap bags were so soaked with blood and stiff that when he raised them up, they stood by themselves as he took the picture.

I, Gregory, bought this picture from Mr. Francis.

Yours truly,

John Gregory Jr
